

About us

Who are we

We have been growing and developing for more than 20 years to be useful to you. Since its establishment in 1993, Econt has become known as an expert in logistics for Bulgaria.

In 2010 we expanded the limits of our services, positioning ourselves in Greece under the Ekont Hellas brand.

Driven by the desire to give more than usual, we do not stop to create new and better solutions for you and your business in the field of courier, postal and cargo services.

Vision

Ekont is an innovative platform for quality courier and payment services for e-commerce and individual customers.

Mission

We continue creating conditions for long-term development of e-commerce in Bulgaria and Greece.

We work together with national and international leaders in e-commerce for the benefit of individual customers.

We create innovative solutions with a focus on our customers and partners.

We prioritize the quality and time for the implementation of our services.

We achieve this with efficient management and personal commitment of our employees.

Good financial results enable us to develop and support projects related to knowledge and for the benefit of society.

Values

Respect

We are open and honest with everyone. We build lasting relationships based on mutual trust.

Family spirit

We work together. We can count on one another and that brings us joy.

Striving for perfection

We achieve best results with minimum of work. We strive for excellence.

Innovation

We strive for growth and knowledge. We are ready to go out of our comfort zone for more sensible solutions for each customer.

One-pointedness

We work with everything as it is. We achieve our goals in an inspired, determined and zealous way.
